4 Ways to Hit $1k/Month in Recurring Revenue

None of these require a massive following.

swipe →

10 × $100/month

Small, tight community. High-touch. Premium access. You know everyone by name.

The right move if you have a niche expertise and can deliver real access to yourself.

100 × $10/month

High volume, low friction. Content-first. Works if you already have an audience.

The right move if you're building in public and your content is the product.

1 × $1,000/month

One client, deep ongoing relationship. Not a traditional membership — but it counts.

The right move if you do high-value consulting or coaching.

50 × $20/month

The sweet spot for most first-timers. Achievable audience size, real recurring revenue.

The right move if you're starting from scratch with a clear niche.

Which path fits you?

None of these require a massive following.

You need the right offer for the right 10, 50, or 100 people.
